Projects

Digital Game Deals

[Github](#) | [View Project](#)

- Digital Game Deals is a product of the CodePath course for Android Development. The app allows users to find available video games in stores while ordering them from the cheapest to the most expensive.
- Utilized Android Studio and [API](#).

Leadership and Community Engagement

Las Trailblazers Valientes Case Study Competition:

3rd place: Las Vencedoras

April 28, 2023

- As a team, I worked collaboratively with like-minded individuals to analyze the business's requirements and identify areas where Salesforce's app could be leveraged to improve its sales process.
- We developed a customized solution that incorporated various features of the app to streamline their sales operations, enhance customer engagement, and ultimately boost their revenue.
- As a result of our hard work, we won third place by creating an innovative business solution utilizing Salesforce's app.

Latinx Student Organization:

Member

September 2021 – Present

- Facilitated dialogue among student leaders, staff, and faculty to create a space on campus where Latino students could feel affirmed in their identity; Organized forum for Latino students to share ideas for the space parameters.
- Held meetings to discuss the purpose, constitution and mission of the Centro Latino.
